## ESPRESSO CLEAN® TABLETS

### ESPRESSO MACHINE CLEANING TABLETS

#### PORTION CONTROL

A convenient portion controlled dose, Espresso Clean® Tablets can be used to replace traditional espresso machine cleaning powders.

#### HIGH PERFORMANCE

One tablet in the group head removes coffee oils, grounds and stains, improving the taste and aroma of espresso after the machine is cleaned. Espresso Clean® Tablets also leave no trace of odour.

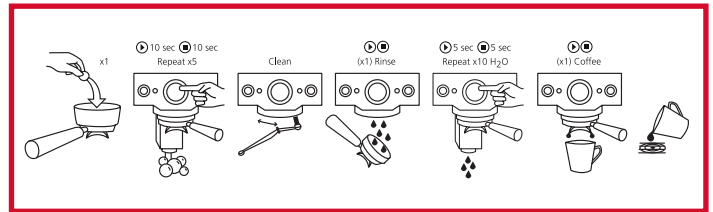

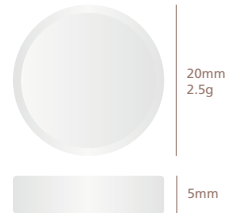

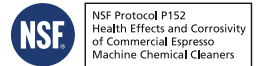

#### SAFE FOR YOU AND YOUR MACHINE

Safe for all machine parts, including brass, stainless steel and copper, Espresso Clean® Tablets will leave no harmful residues and do not cause corrosion within the coffee machine. The formula is also non-hazardous.

#### HOW TO USE

##### PROCEDURE TO BACK-FLUSH EACH DELIVERY GROUP

- Remove coffee filter from group handle, and replace with blind filter.
- Add 1 Espresso Clean® Tablet into the group handle and insert as if brewing espresso.
- Start cycle and allow to run for 10 seconds to dissolve tablet.
- Stop cycle and allow to sit for 10 seconds.
- Start and stop cycle 6 more times - run for 10 seconds, stop for 10 seconds.
- Remove the group handle and rinse well under stream of water from delivery group. Turn off.
- Re-insert handle with blind filter, start and stop cycle 10 times - run for 5 seconds, stop for 2 seconds to ensure thorough rinsing. Remove blind filter and insert regular filter.
- Brew and discard a single espresso to re-season machine.
